To Whom It May Concern,

Elcon Electric has had the privilege to partner with Pirtle Construction on several construction projects over the past five years. I have found them to be one of the finest general contractors we have had the pleasure to work with. Pirtle and Elcon have successfully completed a variety of projects ranging from educational to municipal.

Pirtle Construction's professionalism and workmanship is second to none and we look forward to many years of continued partnership with them.

Sincerely,

James P. McConchie  
President
